

## NEED TO BE READY TO DO BUSINESS THE NEW WAY? WE ARE YOUR PERFECT PPE & SAFETY MESSAGING SOLUTIONS PARTNER

*Business will be opening back up soon and we want to help make sure that all are as safe as possible. We can help you focus on what you do best.*

Total Cart Solutions has established roots in Canadian Healthcare providing Telemedicine carts, video conferencing, and messaging solutions to care facilities throughout the country. Our understanding of what is needed in sensitive environments allows us to help you make the transition back to business easy and cost effective. Total Cart Solutions is a perfect partner to ensure a safe environment for all.

We are an experienced solutions provider for the healthcare market. All products are manufactured in Canada. Have an idea; let us design a custom solution for you. We are just a phone call away. Our solutions help your staff and customers feel safe in your environment, without taking away from your brand.

**//// PLEASE STAND 2 METRES APART ////**
